## About the Western Sydney Growth Areas Special Infrastructure Contributions Funding Round 6

Welcome to the grant application form for the Western Sydney Growth Areas Special Infrastructure Contributions (WSGA SIC) Funding Round 6 administered by the Department of Planning, Housing and Infrastructure. For this funding round the department will provide up to \$75 million in grant funds to eligible state agencies and local councils. The department's key outcome for this funding round is to support the delivery of growth related infrastructure within the WSGA.

Before starting a new application, please ensure you have read the program guidelines before completing this form.

More information about the funding round can be found on the [WSGA SIC webpage](#)

### Instructions for Applicants

Before completing this application form, you should have read the program guidelines.

Incomplete applications and/or applications received after the closing date will not be considered.

If you wish to save a draft, click 'save and close'. You can return to your draft by selecting 'My Submissions' at the top of the page.

Submitted applications cannot be edited so ensure all fields are completed and attachments are uploaded.

You will receive a confirmation email with a copy of your submitted application attached. If you have not received a confirmation email, assume the application has not been submitted.

For attachments, please use the following naming convention:

*SIC - Applicant Number - Project Name - Attachment Name*

Note attachments are limited to 25MB each.

For help using the form, refer to SmartyGrant's Help Guide for applicants [here](#) or their applicant FAQ [here](#).

For questions about the program or information requested in this form, please contact our program team at [sic.program@dpie.nsw.gov.au](mailto:sic.program@dpie.nsw.gov.au) and quote your application number.

**Please note there is a 20 minute automatic time out on the form. Please ensure you save your application frequently to prevent loss of data as you progress. We recommend you save your application every 15 minutes.**

### Application Number

This field is read only.

## Program Details

### Eligible applicants

Eligible applicants for WSGA SIC Round 6 are:

1. Local councils within the WSGA SIC Special Contribution Area (SCA)\*
2. Planning Ministerial Corporation
3. NSW government agencies\*\*

Where a co-contribution is made:

\*councils with projects that have a co-contribution must provide a letter of support from a delegated authority confirming the co-funding amount is secured.

\*\*agencies that are the sub-agencies within a portfolio agency must seek endorsement from the portfolio agency prior to submitting an application.

### Eligible Infrastructure

The summary below details the project categories and eligible types of infrastructure the SIC program can support under this funding round.

#### Eligible infrastructure categories

- Planning and Design
- Land Acquisitions
- Construction

**Note - applicants with Design and Construction projects or Construction with Land Acquisition projects must submit two separate applications.**

#### Eligible Infrastructure types

- Roads
- Intersections
- Bridges
- Public transport infrastructure
- Emergency services\*
- Justice\*
- Health\*
- Education\*
- Regional open space and biodiversity\*

# Application Form

## Form Preview

\*Land acquisitions only

Infrastructure identified on the Western Sydney Growth Areas Determination 2011 and the proposed North West Growth Area Special Infrastructure Contribution 2018. New infrastructure projects not identified on the determination may be eligible under this funding round. Infrastructure must be of a similar nature and scale to items on the Western Sydney Growth Areas Determination 2011 or the proposed North West Growth Area Special Infrastructure Contribution 2018.

Applicants are strongly encouraged to contact the SIC program team [sic.program@dpie.nsw.gov.au](mailto:sic.program@dpie.nsw.gov.au) to discuss projects not on the 2011 determination or the proposed North West Growth Area Special Infrastructure Contribution 2018 prior to starting an the application.

## Funding round objectives

Objectives of the sixth funding round of the SIC are to:

- provide funding for the planning and delivery of infrastructure that supports housing growth within the WSGA
- partner with councils and state agencies to deliver growth-related infrastructure
- enhance the infrastructure pipeline prior to the Housing and Productivity Contribution transition in 2026/27.

## Disclaimer

The applicant acknowledges and agrees that:

- submission of this application does not guarantee funding will be granted for any project, and the department expressly reserves its right to accept or reject this application at its discretion;
- it must bear the costs of preparing and submitting this application and the department does not accept any liability for such costs, whether or not this application is ultimately accepted or rejected; and
- it has read the guideline for the program and has fully informed itself of the relevant program requirements.

## Use of Information

By submitting this application form, the applicant acknowledges and agrees that:

- if this project application is successful, the relevant details of the project will be made public, including details such as the names of the organisation (applicant) and any partnering organisation (state government agency or non-government organisation), project title, project description, location, anticipated time for completion and amount awarded;
- the department will use reasonable endeavours to ensure that any information received in or in respect of this application which is clearly marked 'Commercial-in-confidence' or 'Confidential' is treated as confidential, however, such documents will remain subject to the *Government Information (Public Access) Act 2009 (NSW)* (GIPA Act); and
- in some circumstances the department may release information contained in this application form and other relevant information in relation to this application in response to a request lodged under the GIPA Act or otherwise as required or permitted by law.

## Privacy Notice

By submitting this application form, the applicant acknowledges and agrees that:

- the department is required to comply with the *Privacy and Personal Information Protection Act 1998 (NSW)* (the Privacy Act) and that any personal information (as defined by the Privacy Act) collected by the department in relation to the program will be handled in accordance with the Privacy Act and its privacy policy (available at: <https://www.dpc.nsw.gov.au/privacy>);
- the information it provides to the department in connection with this application will be collected and stored on a database and will only be used for the purposes for which it was collected (including, where necessary, being disclosed to other government agencies in connection with the assessment of the merits of an application) or as otherwise permitted by the Privacy Act;
- it has taken steps to ensure that any person whose personal information (as defined by the Privacy Act) is included in this application has consented to the fact that the department and other government agencies may be supplied with that personal information, and has been made aware of the purposes for which it has been collected and may be used.

## Eligibility Confirmation

**Please declare that the proposed project meets the following:**

- Supports new and future housing.
- Funding requested within range of \$2m - \$10m.
- Planning and design project can be delivered by 30 June 2028.
- Construction project can be delivered by 30 June 2029.
- Land must be owned by the applicant for construction category projects.
- Projects involving land acquisition must have land acquired by 30 June 2029.
- Located within the defined WSGA SIC Special Contributions Area (SCA).

**Please declare that grant funds will not be used for:**

- operational expenditure associated with the project once delivered
- infrastructure already fully funded local, state, or Australian Government

# Application Form

## Form Preview

- not subject to a concurrent application with other grants that fund the same components of the project
- expenditure for community consultation
- costs associated with legal matters for the project
- costs associated with iNSW Gateway assurance review
- any expenses not expressly identified within the scope of the funding agreement
- expenditure incurred before the announcement that the project has been funded
- payment of salaries for existing staff or staff not involved in the project
- administrative overhead items such as office equipment and vehicles
- mobile capital equipment such as earthmovers and trucks
- ancillary projects identified after funding was approved.

**I confirm that the applicant and project is eligible according to the criteria outlined in the program guidelines and acknowledge and agree to the program objectives, disclaimer, use of information and privacy notice as outlined above. \***

## Project Details

\* indicates a required field

The following sections of this form collect information on the project you are nominating:

- Project details
- Project scope
- Issue/Problem definition
- Project catchment and benefits
- Funding and budget
- Risk, dependencies and approvals
- Stakeholders
- Land acquisition
- Supporting documentation

# Application Form

## Form Preview

Information provided in these sections will be used in the assessment process. To ensure the greatest chance of success, applicants need to answer all relevant questions, provide clear, succinct, well formatted, and accurate responses.

### Title \*

#### Word count:

Must be no more than 25 words.

Provide a name for your project. Your title should be short but descriptive.

### Brief description \*

#### Word count:

Must be no more than 50 words.

Include a brief summary of who will benefit from this project, what activities you will do and what outcomes you expect from your activities.

### Primary location of your project/site

Address

Any, but at least one field is required.

Primary location does not need to be a specific address, and can be postcode, suburb, state, etc. If delivered online, please specify the area of focus for delivery.

### Project identification

# Application Form

## Form Preview

**Is the proposed project identified in the WSGA SIC 2011 Determination or the proposed North West Growth Area SIC 2018? \***

- ☐ Yes  
☐ No

### New project strategic alignment

For new projects please list and upload any plans, studies, strategies or other strategic documents that identify the proposed project.

This will help the assessment team determine the strategic importance of the project and its suitability under SIC Round 6.

Document title	Page reference	Upload strategic document

### Project identified on WSGA SIC 2011 or proposed North West Growth Area SIC 2018

Please provide the project identifier (if available) and project name as detailed on the WSGA SIC 2011 or proposed North West Growth Area SIC 2018.

For Example

R7 Hoxton Park Road

OS2 Land Acquisition - Part Rouse Hills Regional Park Stage 2

Project Identifier	Project Name

### Problem definition and service need

**Provide a summary of the problem or service need this project will address. \***

Must be no more than 150 words.

### Scope of Works

**Provide a summary of the scope of works for this project. \***

Word count:

Must be no more than 150 words.

## Funding and Budget

\* indicates a required field

This part of the form collects information on the costs and funding strategy associated with your project.

At a minimum, the brief description provided below should outline the total estimated cost of the project, the amount of SIC funding sought, and the amount of funding from other sources required to deliver the project. Applicants should also outline the costs associated with key stages and elements of the project.

**Note: Applicants must have obtained and can demonstrate an approved commitment to spend any funding from sources other than the SIC funding that are required to deliver the project.**

**Please provide a brief description of the project costs and funding strategy. \***

Word count:

Must be no more than 150 words.

This field must be completed and should not simply refer to attachments. It will be used in the assessment process to assess your application.

**Total Project Cost (GST Inclusive) \***

## Risks, Dependencies and Approvals

\* indicates a required field

This section collects information on any risks dependencies and approvals associated with your project. The brief description provided below should summarise the risks and dependencies outlined in the table below. This will be used by assessors to evaluate your project at the assessment stage.

Please provide a brief description of the main risks and dependencies associated with the project. \*

Word count:  
Must be no more than 150 words.

Project Site Risks

Please list any known project location risks that could impact the delivery of the project.

Examples of project location risks include:

- Bushfire
- Flood
- Site contamination
- Utilities

Please list any known project site risks below. \*

Word count:  
Must be no more than 150 words.

Please upload a zipped GIS Shapefile of the known site risks listed above.

GIS files must be either ESRI shapefile, Geodatabase or Mapinfo. Google Earth images will not be accepted:

Attach a file:

Major Project Risk Summary

Please provide details on the major risks of the project. Add as many rows as required.

Risk Description	Owner	Likelihood	Impact	Risk Management Strategy
Provide a description of the risk	Who is responsible?	What is the likelihood that this will happen?	What would be the impact if it came true?	What actions will be taken to prevent this risk from occurring or reduce its impact on the project?

Risk Management Plan Upload

# Application Form

## Form Preview

Please upload a risk management plan for the project if available. Uploading a plan for construction projects is highly preferred.

Attach a file:

### Dependencies

List any project dependencies required to release some or all of the benefits of the project, or which may affect the delivery of the project.

Describe the impact of the dependency on the project

### Approval Pathway Summary

**Please provide a summary of the approvals pathway for this project. \***

Word count:  
Must be no more than 150 words.

### Approvals Status

Understanding the required approvals, status of approvals and likely timeline of approvals still required forms an important aspect of the assessment process.

List all approvals required for this project	Status of Approval	Select the date approval was obtained or is expected to be obtained	
	<div><div></div> Approval obtained</div> <div><div></div> Approval not yet obtained</div>		
Add as many new rows as required			Must be a date.

### Approvals Obtained Upload

Please upload all approvals already obtained for this project. Click on the plus button to add more approval attachments.

### Stakeholders

\* indicates a required field

### Stakeholders

Please detail all other stakeholders interested or impacted by your project. Explain their interest or impact and explain the engagement strategy you will have with that stakeholder.

You can keep this high level (e.g. quarterly meetings / regular email communication) rather than identifying each individual meeting or communication.

Please include only one stakeholder per row. Add more rows if you want to list additional stakeholders.

Stakeholder	Interest or impact	Engagement strategy
Stakeholders may be key community members, other organisations, other funders, etc.	Please explain why the stakeholder is interested in the outcomes of the project, or how they may be impacted.	Please detail how you will reach out to the stakeholder before, during and after the project.

**Do you have a stakeholder engagement plan for this project? \***

☐ Yes

☐ No

**Please upload the stakeholder engagement plan for this project. \***

Attach a file:

### Land Acquisition - Construction

\* indicates a required field

**Does the applicant own the land where the project will be constructed? \***

☐ Yes

☐ No

☐ Submitting separate application for land acquisition part of project

**Note: For construction projects the land must be owned by the applicant. If funding is sought for land acquisition a separate application must be lodged.**

**Please upload proof of land ownership. \***

Attach a file:

Based on your response to the land ownership question, your application is ineligible to receive funding under the sixth round of the Special Infrastructure Contributions funding. Please contact the SIC program team via email [sic.program@dpie.nsw.gov.au](mailto:sic.program@dpie.nsw.gov.au) if you would like to discuss eligibility requirements for this funding round.

### Land acquisition

\* indicates a required field

**Please provide details of the projects's compulsory land acquisition status.**

**Is this a compulsory land acquisition? \***

☐ Yes

☐ No

**Please detail which stage of the compulsory land acquisition process is the project. \***

Word count:

Must be no more than 150 words.

**Please provide the date when this land is expected to be acquired. \***

Must be a date.

### Supporting Documentation

Applicants are encouraged to upload any developed supporting documents as part of their application. Documents could include:

- designs
- site location images
- project cost estimates
- project program/schedule
- business case
- economic analysis
- strategies, plans or reports that identify the project.

Please label attachments with application id followed by a clear description.

***SIC Applicant Number - Project Name - Attachment Name***

## Declaration and Authorisation

\* indicates a required field

### Declaration

The applicant represents and warrants that this application has been submitted by an authorised representative of the applicant (e.g. CEO, Chief Financial Officer, General Manager, Director, Chair of the Board, President, authorised manager etc).

Where this application is submitted in the course of employment by a representative of any kind (e.g. authorised representative or agent) of the applicant, you: (i) acknowledge and agree that the applicant is deemed to be jointly and separately bound by this application; and (ii) represent and warrant that you have the authority to represent and bind the applicant as contemplated by this provision.

By submitting this application form I hereby declare that:

- I agree for my project to be automatically considered in other NSW funding programs;
- I have read, understood and agreed to each of the acknowledgements, agreements, representations and warranties provided above, and that each of these are true and correct;
- I have read, understood and agreed to the terms and conditions of the funding agreement or term sheet;
- All information provided including the responses to each question in the relevant sections of this application is true and correct to the best of my knowledge;
- Any information contained in this application may be disclosed to other government agencies, staff administering the program, and to external stakeholders (including consultants, lawyers and other advisers) as part of the assessment of this application;
- I am authorised to submit this application on behalf of, and have the authority to represent and bind the applicant;
- I understand that any false declaration may render this application ineligible/invalid; and
- All relevant conflicts of interest have been declared.

### Authorisation

**I agree \***

☐ Yes

**Name of authorised person \***

Title

First Name

Last Name

Must be a senior staff member, board member or appropriately authorised volunteer

**Position \***

Position held in applicant organisation (e.g. CEO, Treasurer)

**Phone number \***

Must be an Australian phone number.

We may contact you to verify that this application is authorised by the applicant organisation

**Email \***

Must be an email address.

### Applicant Feedback

You are nearing the end of the application process. Before you review your application and click the **SUBMIT** button please take a few moments to provide some feedback.

**How did you find the online application process?**

☐ Very easy

☐ Easy

☐ Neutral

☐ Difficult

☐ Very difficult

**How many minutes in total did it take you to complete this application?**

60

Figure needs to be in minutes only (e.g. 75 minutes not 1.15 hours)

**Please provide us with your suggestions about any improvements and/or additions to the application process/form that you think we need to consider.**

### Eligibility confirmation invalid

Based on your response to the eligibility confirmation question, your application is ineligible to receive funding under the sixth round of the Special Infrastructure Contributions funding. Please contact SIC program team via email [sic.program@dpie.nsw.gov.au](mailto:sic.program@dpie.nsw.gov.au) if you would like to discuss eligibility requirements for this funding round.

### Ineligible project - Land ownership

Based on your response to the land ownership question, your application is ineligible to receive funding under the sixth round of the Special Infrastructure Contributions funding. Please contact with the SIC program team via email [sic.program@dpie.nsw.gov.au](mailto:sic.program@dpie.nsw.gov.au) if you would like to discuss eligibility requirements for this funding round.
